

## Mutual Agreement on Guest's Responsibilities

### No noise between 10:30 PM - 09:30 AM

Please mind that we are NOT a party place, but a cosy home away from home where people can rest and enjoy quietness throughout day and night. The Guesthouse is located in a residential neighbourhood. We have elderly and very young neighbours that are especially sensitive to noise, and so are our other in-house guests.

**According to Portuguese law, the right to rest must be guaranteed between 11pm and 7am. Failure to comply can lead to law enforced fines between 200 and 2000 euros. Failure to comply will ALWAYS lead to a 10% reduction of your security deposit (if a one-time occurrence) or more (if repeatedly occurring situation).**

PSSSSS! If you get home late or leave the house early, please think of the others and keep it quiet! If you happen to have a fun time in your private garden, please think of our neighbours, they will appreciate it.

### No Smoking

Please mind that ALL INDOOR AREAS are absolute non-smoking areas!

### No animals

Please mind that due to hygienic standards we unfortunately cannot accept any animals at the Guesthouse.

### No extra guests

Please mind that unauthorized guests are not allowed in the property. Unauthorized guests are persons who didn't make part of the official check-in procedure (number of people

booked in), who we have not been informed about/ agreed on and who have not paid the extra guests fee.

## House Towels

Please mind that all indoor towels are to be used ONLY INDOORS! Please don't bring our house towels to the beach or pool.
